

CAPS & PLUGS

- Stop insects, vermin and dust from getting into lines.
- Move full hoses without spilling a drop.
- Contain dripping from leaking valves.
- Our proprietary Plastic Caps and Plugs available to suit 2" and 3" BSM/RJT and Wine Thread. The Caps and Plugs are colour coded for easy identification. (Blue – BSM/RJT) (Red – Wine Thread).
- Moulded lugs on Plastic Caps while Plastic Plugs have a knurled grip knob for tightening and unscrewing. No spanner needed.
- Caps are made from ABS UV resistant plastic.
- Plugs are made from Acetal.
- BSM/RJT stainless steel caps and plugs are also available in sizes 1" – 6".
- Both caps and plugs in BSM/RJT & wine thread can be supplied with chain.
- BSP Stainless Caps available in sizes 1/8" – 2"
- BSP Stainless Plugs available in sizes 1/8" – 4"
- Triclover Caps available in sizes 1/2" – 6"
- BSM/RJT Blanking Discs available in sizes 1" – 6" (fit inside a nut).
- Din Blank Ends available in sizes 1" – 6" (fit inside a nut).
- Wine Thread Blank ends in sizes 1" – 4" (fit inside a nut).
